

The Adventures of the Eleven Cuff-Buttons J.F. Thierry

The Adventures of the Eleven Cuff-Buttons: Being one of the Exciting Episodes in the Career of the Famous Detective Hemlock Holmes as Recorded by his Friend Dr. Watson is a parody of the Sherlock Holmes stories.

"...there in the same old den, at 221-B Baker Street, in the city of London, we were domiciled on that eventful April morning in 1912 that saw us introduced to what turned out to be positively the dog-gonedest, most mixed-up, perplexing, and mysterious case we ever bumped up against in all our long and varied career in Arthur Conan Doyle's dream-pipe. It completely laid over "The Sign of the Four" and "The Study in Scarlet," and had "The Adventure of the Blue Carbuncle" all beaten to a frazzle." That case is hereby related. - Summary by TriciaG & the author
